

Office Based Vasectomy

permanent birth control for men

About The Procedure

Vasectomy is an effective means of voluntary sterilization, which is also known as contraception. When you consider a vasectomy, it is important that you know that the surgeon who will carry out your surgery has the experience and focus to deliver the quality you want. It is also important to know what you are paying for.

Allevion offers a comprehensive vasectomy surgery package that takes into account the experience and focus of the surgeon. Our surgeons are superbly trained. All specialize in vasectomy and are absolutely committed to service.

Every Package Includes:

Your package includes customer support, case review and qualification, and:

- Your surgeon
- Local anesthesia
- Use of office facility
- Support staff
- Scrotal support
- Dressings
- One pre-operative consultation
- Two post-operative visits
- Surgeo Services[#]
- Surgeo Security^{*}

[#] includes unlimited use of our online shopping tools, access to our network of highly qualified surgeons, convenient online consultation request form, call center support, assistance with medical records, and help getting a loan.

^{*} includes primary and ancillary procedures.

Comprehensive packages are offered for uncomplicated surgery and include the surgical team, facility, and the additional items listed. The cost you are quoted for your package is the total cost. Your package DOES NOT include travel, additional follow-up, outpatient medications, pre-operative clearance by your medical doctor, pre-operative testing such as blood tests, and anything else that is not listed. It does not include treatment of complications. All packages are subject to the [Customer Release and Representations](#).
